### **Casino Tables**

All of our tables are full sized professional tables and come complete with all gaming equipment, experienced croupiers in black tie and fun money to be given to the guests.

I would suggest a prize be provided for the person that collects the most money during the evening and the winner can be announced by the DJ

Choice of tables are as follows: Black Jack, Roulette, Poker, Craps & Wheel of fortune, although Black Jack and Roulette are the most popular.
